Highlights

Klaipeda & Curonian Spit Amber Hunt

Klaipeda Theater Square

15 min

One of most popular places in Klaipėda's old town is The Theatre Square. There is a sculpture of Ann from Tharau in the middle of the fountain at the center of the square. The monument is dedicated to Simon Dach, a German poet of Klaipeda origin. Another notable building is the Drama Theatre. Since the 18th century, the theatre has played an important role in the cultural life of Klaipėda.

Klaipeda Old Town

30 min

Klaipėda's Old Town is different from the rest of Lithuania since it has a lot of German and Scandinavian architecture. The buildings are charming; there is the planned street structure, which can't be found in any other old town in Lithuania. Its streets are geometrically configured very correctly, and the angle of intersection is always straight.

Curonian Spit

60 min

The Curonian Spit is a 98 km long, thin, curved sand-dune spit that separates the Curonian Lagoon from the Baltic Sea coast. The spit is about 1 mile wide. It is famous for its large sand dunes and "dancing trees", twisted by the wind force.
