Hermitage Museum

10 min

Hermitage is one of the largest museums in the world. But it is also the magnificent Royal Palace with stunning rooms and unbelievable views. The collection began as the project of Catherine the Great in 1764. Now it's the temple of art, where you can see the works of Raphael, Titian, Rembrandt, de Goya and many other prominent painters from all over the world.

St. Isaac's Cathedral

10 min

St. Isaac's Cathedral is dedicated to Peter the Great's favorite saint. It is the biggest cathedral of Russia and ranks among the largest cathedrals of the world. It was built between 1818 and 1858, to be one of the most impressive landmarks of the Russian Imperial capital. It's not only the giant structure but also the collection of the greatest engineering innovations.

Peter and Paul Fortress & Cathedral

10 min

This fortress, built to deflect Swedish raids, was the city's very first structure. While the view from the fortress ramparts is fantastic, the main attraction is Trezzini's Peter and Paul Cathedral. Almost all Romanovs including Nicholas II, are buried here. There are several other museums scattered around the fortress grounds, like the political prison museum or St. Petersburg history exhibition and you can buy a special day ticket which enables access to all.
