Detailed Program

Best of Copenhagen Join-in Shore Excursion

08:45 - 09:00

Meet your guide and driver outside the main port gate

09:00 - 10:00

We start our tour with exploring local culture & history while driving. Photo stops near the Little Mermaid statue, Amalienborg Castle, where the Royal Family lives, are planned.

10:00 - 11:00

Our way continues with visits to such highlights as the Tivoli Gardens and the Town Hall Square. We go on to Christiansborg Palace, however, this is just a photo stop - no visit included. This Palace is located on a small island just a few hundred meters away from the main street of the city, and this is also a unique place where three government branches seat - the PM's office, the Supreme Court and the Parliament's House.

11:00 - 12:00

After we see the Christiansborg Palace (photo stop), then we go on to Stroget - the most famous street of Copenhagen. Both locals and visitors enjoy walking along this street, which is often called the backbone of the Danish capital. Coming to Kongens Nytorv, the open public square, we will continue to an entertainment district, built around the 300-year-old canals of Nyhavn. Nyhavn is translated as the "New Harbour" and it impresses most of its visitors with elegant boats and very lively colored townhouses.
