Rivers & Canals Boat tour

By day or by night, the most spectacular view of St. Petersburg can be seen from the water. These are the unforgettable panoramas of the Hermitage, squares, and embankments. St. Petersburg is surrounded by water and interlaced with a complex web of rivers and canals that seem to bind the city together, while also marking the borders of its different districts and neighborhoods.

Metro (subway) Tour

10 min

Go underground and enjoy palaces built for regular people - this is how amazing Subway Stations are in St Petersburg. Chrystal chandeliers, bronze works, marble flooring, amazing sculptures, and mosaics. Why visit another palace? The first stations were opened in 1955, the newest ones open every year, still rich and impressive.

Peter and Paul Fortress & Cathedral

10 min

This fortress, built to deflect Swedish raids, was the city's very first structure. While the view from the fortress ramparts is fantastic, the main attraction is Trezzini's Peter and Paul Cathedral. Almost all Romanovs including Nicholas II, are buried here. There are several other museums scattered around the fortress grounds, like the political prison museum or St. Petersburg history exhibition and you can buy a special day ticket which enables access to all.

Church on the Spilled Blood 10 min neo-classical surroundings of the city-center. The church is decorated with lots of mosaics inside and outside, the domes are covered with colorful enamels. The church was built on the very place where Tsar Alexander II was mortally wounded in 1881.
