Highlights

Palanga Amber Museum & Klaipeda Panoramic Tour

Curonian Spit
20 min

The Curonian Spit is a 98 km long, thin, curved sand-dune spit that separates the Curonian Lagoon from the Baltic Sea coast. The spit is about 1 mile wide. It is famous for its large sand dunes and "dancing trees", twisted by the wind force.

Palanga City
60 min

Palangais the main seaside resort of Lithuania. It is famous for its long sand beaches. The tourists also visit Palanga for the local mineral waters. Jonas Basanavičius Street is a pedestrian thoroughfare during the high season with little restaurants, souvenir shops and bars.

Palanga Amber Museum
40 min

The Palanga Amber Museum is located in the restored 19th-century Tiškevičiai Palace and is surrounded by the beautiful Palanga Botanical Garden. The museum's collection of amber numbers about 28,000 pieces, of which about 15,000 contain inclusions of insects, spiders, or plants.

Klaipeda Theater Square
20 min

One of most popular places in Klaipėda's old town is The Theatre Square. There is a sculpture of Ann from Tharau in the middle of the fountain at the center of the square. The monument is dedicated to Simon Dach, a German poet of Klaipeda origin. Another notable building is the Drama Theatre. Since the 18th century, the theatre has played an important role in the cultural life of Klaipėda.

Klaipeda Simon Dach Fountain
10 min

Ann from Tharaufountain fountain at the centre of the Theater square is the monument dedicated to Simon Dach, a German poet who was born in Klaipėda. He fell in love at first sight with Ann. However, she was engaged to another man. Simon Dach dedicated a poem to her, which became very popular.

Klaipeda Old Town

30 min

Klaipėda's Old Town is different from the rest of Lithuania since it has a lot of German and Scandinavian architecture. The buildings are charming; there is the planned street structure, which can't be found in any other old town in Lithuania. Its streets are geometrically configured very correctly, and the angle of intersection is always straight.
