Peter and Paul Fortress & Cathedral

30 min

This fortress, built to deflect Swedish raids, was the city's very first structure. While the view from the fortress ramparts is fantastic, the main attraction is Trezzini's Peter and Paul Cathedral. Almost all Romanovs including Nicholas II, are buried here. There are several other museums scattered around the fortress grounds, like the political prison museum or St. Petersburg history exhibition and you can buy a special day ticket which enables access to all.

The beautiful palace which belonged to the wealthy **Yusupov family**. It also was the scene of the grizzly murder of the sleazy Siberian peasant **Rasputin**, who was exercising too much influence over the royal family for Felix Yusupov's liking. There is a Rasputin tour, and you can see where Felix and his entourage tried to **poison and shoot Rasputin** in the cellar in 1916 before they beat him and chucked him into the river, where he finally died.
