Peter and Paul Fortress & Cathedral

10 min

This fortress, built to deflect Swedish raids, was the city's very first structure. While the view from the fortress ramparts is fantastic, the main attraction is Trezzini's Peter and Paul Cathedral. Almost all Romanovs including Nicholas II, are buried here. There are several other museums scattered around the fortress grounds, like the political prison museum or St. Petersburg history exhibition and you can buy a special day ticket which enables access to all.

Church on the Spilled Blood

30 min

The symbol of Saint Petersburg - onion-domed cathedral that stands out from the neo-classical surroundings of the city-center. The church is decorated with lots of mosaics inside and outside, the domes are covered with colorful enamels. The church was built on the very place where Tsar Alexander II was mortally wounded in 1881.
